These Coverage Locator depictions apply to the following calling plans:

Share Everything, Nationwide Calling Plans, Mobile Broadband and Prepaid.

Data roaming charges apply in Canada and Mexico coverage areas.

If you have a Nationwide Calling Plan: Picture/Video Messaging, Mobile Web and Mobile Email works in both the Enhanced Services and Extended Enhanced Services coverage area; Push to Talk, VZ Navigator and Family Locator work in only the Enhanced Services coverage area.

These Coverage Locator maps depict predicted and approximate wireless coverage. The coverage areas shown do not guarantee service availability, and may include locations with limited or no coverage. Even within a coverage area, there are many factors, including customer's equipment, terrain, proximity to buildings, foliage, and weather that may impact service. Some of the Coverage Areas include networks run by other carriers, the coverage depicted is based on their information and public sources, and we cannot ensure its accuracy.
